3. Reason

Find out what's "right" or "wrong".

_____ Powell was afraid of Cutie's strange brain, but he was sure that the laws of Robotics couldn't be broken.

_____ Cutie was astonished about Powell's explanations concerning Earth, sun and space and he promised to find the answer himself.

_____ Donovan was not very surprised when he was informed about Cutie's behaviour.

_____ Cutie mentioned it was unlikely that humans had made him and even could destroy him.

_____ He also explained that humans were well planned and spoke about the advantages of the human body.

_____ Cutie tried to convince the scientists that the Master had made the humans first, so they were the lowest type.

_____ Powell was not able to show Cutie that the Power Beam Broadcaster was only a machine.

_____ Donovan thought all mistakes on the station would have been caused on Earth.

_____ Donovan and Powell always knew that under the command of Cutie the electron storm was perfectly controlled.

_____ A very small movement could cause the beam to burn hundreds of miles of land on Earth.

_____ All the time (during the storm) the two human beings were not allowed to enter the command room.

/11P

4. Liar

Answer the following questions.

1. What was wrong with RB-34?

2, Why should the mistake be kept secret? _____
