2. Many ethnic groups have influenced American cuisine. Look at the following map and use the Internet to find out more about one of the following styles of cooking. Write a short text about this cooking style (include this information: historical origin, typical ingredients, and classic dishes).

### COMMON US-AMERICAN DISHES

1. Do the following quiz about US-American food.

a) Chowder is...

- A creamy fish soup  
 A chewing gum brand  
 Cherokee tribe name

c) The no. 1 U.S. dairy producer is...

- Alaska  
 Minnesota  
 California

b) Alabama hosts a pecan festival each fall because...

- The British were defeated in 1704 by using pecan nutshells as missiles.  
 Pecans are the official nuts of the U.S. state.  
 Pecans grow best in Alabama.

d) Americans eat lots of donuts. Guess how many each year...?

- 78 million  
 10 billion  
 Unimportant, as they eat more cupcakes!

2. Complementing dishes: Match the culinary terms which form an idiomatic phrase together!

turkey

cookies

apple

macaroni

peanut butter

pie

and jelly

and cheese

and milk

with stuffing

3. Look at the following pictures of typical US-American dishes<sup>1</sup>. Which one would you prefer? Use the Internet to find out how to make this dish, and present the recipe to your class.

Figure 4: Macaroni and Cheese

Figure 1: Bacon, Lettuce and Tomato "BLT" Sandwich

Figure 3: Clam Chowder

Figure 2: Pumpkin Pie

### FAMOUS US-AMERICAN CHEFS

4. Many chefs have their own YouTube channel on which they present new recipes and give cooking advice. Watch one clip on YouTube by the most famous American TV chef and homemaker, Martha Stewart.  
(<https://www.youtube.com/user/MarthaStewart>)
5. Write down three tips or pieces of advice that the chef presents in the video:

---

---

---

6. Swap your cooking advice with a partner.
